

2010 Volleyball Victoria Membership

Volleyball Victoria (VV) is auspice under both National and State Government guidelines to provide a range of services, programs and events that supports the development of our sport throughout the State of Victoria. As a not for profit organisation, membership fees are an integral component for generating funds to deliver on this charter.

Please note that only less than 30% of every membership fee is available for direct VV use and that it currently costs approximately \$1 million per annum to manage the sport of Volleyball. Accurate membership data is crucial to ensuring we capture maximum levels of participation in our sport. This will assist both VV and Volleyball Australia (VA) to attract corporate support, which will in turn keep the user pay fee component to a minimum, and ensure ongoing State and Federal Government funding.

In return for your membership support, VV is committed to meeting your expectations in the provision of services, programs, event infrastructure and value added benefits.

CONTACT:

If you have any questions in relation to membership with Volleyball Victoria, please contact our office during business hours:

Phone: 03 9794 0009

2010 Category Definitions

Full Adult – A full member with privileges for 12 months (calendar year).

Full U/19 – As above, must be under the age of 19 years as of Dec 31 of that year.

Social Adult – Is a social competition player (non-VVL player), who is eligible to participate in VV/VA tournaments and VV Beach events.

Recreational – Is a social competition player only and is not eligible to play in VVL/JVVL or VV/VA sanctioned events.

Single Event – Is a player who only participates in a single VV/VA sanctioned event. If you then enter into an additional event, you can upgrade to the next category—Social Adult or Full U/19—and pay the difference.
